### Coach's Report

---

Coach Wilson was present to share what's been happening to prepare for the upcoming season: All coaches are returning. New coaches are being recruited with a plan to have position coaches and assistants. Ideally JV will practice with Varsity so that Coach gets to know the JV team and there is continuity. The calendar is complete for Feb - Aug. Coach expects some tweaking as scrimmages and 7 on 7's are confirmed. Coach Wilson is very pleased with how off-season weight training is going. Boys did Maxes last week. The football interest meeting had 100 boys attend and Coach is planning on visiting Leesville Middle to get the word out early about our football program. He is also planning to visit the elementary school to give information about the PAC Youth Camp. When asked about the weight room clean up, Coach let us know that his wish list is in the hands of Coach Rogers and as soon as the weight room is emptied of old, unused equipment (waiting on WCPSS procedures for disposing of county property) we will get in a clean. Coach Wilson has delegated Coach Johns the job of managing college recruiting and will have CJ give a presentation at an upcoming FF mtg.
