### Fundraisers / Community Support

Jonas Van Hoosier reminded attendees about the Golf Classic to be held on July 11th at Wildwood Green. The total number of golfers can be up to 120. Sponsorships are still available. Meeting attendees are encouraged to sign up at the website to play and to encourage friends and family to participate. Because this is one of only 2 fundraisers, participation is needed.

Linda Hamilton encouraged participation in the Leesville Football Families Relay for Life team. Our team fundraising has so far placed us 6th out of 28 teams. Participants can

register on line or just show up at the event. Concessions will be open and participants are reminded to wear Leesville Green.

### Coach's Update

Coach Wilson provided the following information:

- More than 90 players participated in spring practice so far.
- Summer practice arrival time is 645. Players will lift from 7-8 and practice from 830-10.
- June calendar is updated on our website.
- Select layers will participate in 7 on 7s at UNC, ECU, and NCSU. Coach encouraged players and parents to check team calendar frequently for updates.
- Coach encourages players to get their "ticket to play" during announced dates which will ensure all paperwork is completed.
- Coach said he is pleased with all the work by the players in the weight room during the Spring.
- Coach said equipment handouts will be completed by Aug 1st.
