

Football Families Meeting Minutes -- Meeting held 8/18

Sign in list circulated and filed in Football Families binder
copy of budget made available and also filed in binder

Tony Freeman and other board members updated attendees on several matters.

- Football Families meetings will generally be held on the 3rd Tuesday of each month.
- The school's athletics website needs to be updated with new coaching information

Update on fundraiser

- The fundraiser using the email and home addresses provided by players is off to a strong start.
- The restaurant card fundraiser hasn't had as much success and the unsold cards and money collected need to be turned in by the end of the week

Volunteers

- sign up for volunteering has been going well, but coordinators are needed for several areas
- canned food drive at our first home game was discussed. Bins will be provided by the food bank - it was suggested JV players could be assigned to direct people where to donate

A parent suggested a weekly email would be helpful letting parents know of events upcoming for each week - all agreed it was a good suggestion. Plans are for an email to go out each Monday with highlights for the week

Field painting was scheduled for Wednesday

Attendees were told if they are not receiving emails, to provide their address and we will add them to the list - several addresses have been added.

JV will have a game at home next week vs JH Rose on Wednesday - Varsity will be away at JH Rose on Thursday
